

# Vorm prefab elementen

Project           Standaard bordes

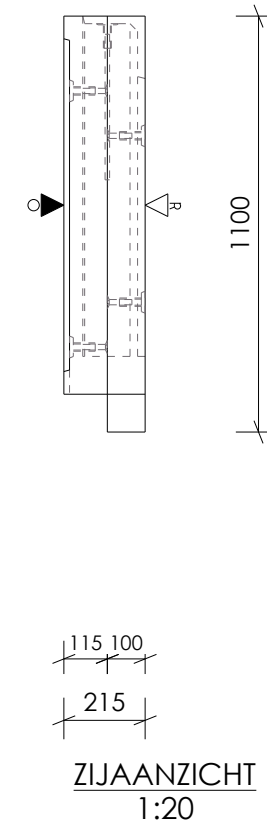

Opdrachtgever Prefab beton online

Werk nr.           -

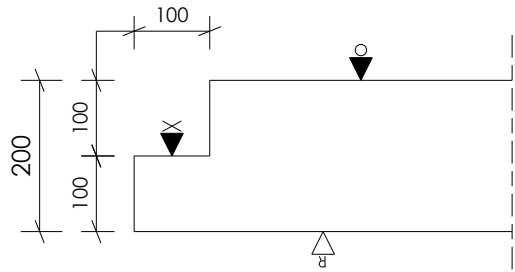

Onderdeel        Prefab bordes PBO

- Renvooi:**
- malzijde geen zicht
  - malzijde klasse A
  - malzijde CUR100
  - stortzijde onbewerkt
  - stortzijde opruwen
  - stortzijde vlak spanen
  - stortzijde gevlinderd
  - stortzijde fijn gerold

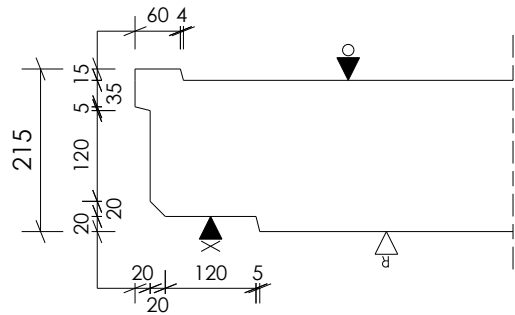

|                                                                                                                  |      |       |            |         |       |
